Elkay EZH2O

Drinking Fountain and Bottle Filling Station (Refrigerated)

SKU: LZS8WSS2K

The filtered Elkay EZH2O® wall-mounted, chilled drinking fountain and bottle refill station is distinguised by its robust and compact space-saving design.

The unit quickly delivers chilled water whilst enhancing sustainability by reducing the users dependency on disposable plastic bottles. The bottle refill outlet features sanitary no-touch sensor activation with an automatic 20-second shut-off time, while the built-in Green Ticker counts the quantity of bottles saved from waste.

Key Inclusions

AS1428.2 1992 Bottle Refill
Wheelchair Accessible Design
