

Aquafil FlexiWash Junior

Handwash Station

SKU: AQ-FW1500ST-1

Proper hand hygiene is one of the simplest ways to prevent and control the spread of germs.

The sensor-activated tap reduces touchpoints. Durable, vandal-resistant design ensures suitability for high-traffic environments. Interchangeable signage panels provide branding opportunities.

Ideal for facilities and public spaces where regular hand hygiene is encouraged.

Key Inclusions

- Sensor Activated Tap
- 6 x D Cell Batteries
- Custom Art Panels with UV and Anti-Graffiti protection

Customisation Options

- Sensor Activated Soap Dispenser
- Handtowel Dispenser On Rear
