

Aquafil Elegri

Drinking Fountain and Bottle Refill Station

SKU: AQ-EL1000BF

Bring functionality and style together with the Aquafil Elegri. The fountain features a thoughtfully designed basin with a sculpted arch. This allows any excess water to flow smoothly into an underground drainage cage. This discreet feature keeps the area clean and tidy.

Wheelchair accessibility, easy-to-use buttons or foot pedal activation make this an inclusive and hygienic fountain and bottle refill option for architectural settings.

Combine durability, performance, and an attractive design with the Aquafil Elegri. An excellent choice for premium outdoor settings and community areas.

Key Inclusions

- Water Bottle Refill Point
(AS1428.2 1992 Compliant)
- Drinking Fountain
- Stainless Steel Construction
- Stainless Steel Buttons
- Foot Pedal Activation
