

Aquafil FlexiShower

Single Sided Shower and Bottle Refill Station

SKU: AQ-FS2100(SS)

Aquafil FlexiShower Single-sided Outdoor Shower can be configured with one shower head space (single-sided) or two (double-sided), and comes with anti-bacterial bottle refill points as well as integrated signage panels as standard. Drinking fountain basins, dog drinking bowls, water meters, foot wash, and filters can also be added.

With a time-flow valve that minimises water waste as well as corrosion-resistant, heavy-duty stainless steel construction, the Aquafil FlexiShower Single-sided is the ideal addition to any public beach or waterfront precinct.
