

# Elkay® EZH2O® Mechanical Surface Mount

## Bottle Filling Station

SKU: EMASM

The Elkay EZH2O® water bottle filling station is distinguished by its compact, space saving design.

The unit quickly delivers fresh drinking water through an anti-microbial bottle refill nozzle whilst enhancing sustainability by reducing the user's dependency on disposable plastic bottles.

The EZH2O Mechanical Surface Mount is ideal for schools and sports complexes, providing clean, fresh bottle refills for users on the go.
