

Elkay® EZH2O® Easy Touch

Drinking Fountain (Refrigerated)

SKU: EZS8S2JO

The Elkay Easy Touch is one of our most popular wall-mounted chilled drinking fountains ideal for indoor public environments.

The drinking water fountain features a Flexi-Guard anti-microbial nozzle for safety, as well as an easy touch push bar control for effortless access. With its economical and robust wheelchair-accessible design, and deep basin to minimise splashing, the Elkay Easy Touch is a popular choice for schools, childcare centres, sporting facilities and commercial campuses.

Key Inclusions

- Wheelchair Accessible Design
- Refrigerated Water
- Stainless Steel Construction
- Easy Touch Push Bar
- Quick Fill Rate
- Drainage System to Prevent Stagnant Water Build-up

Special Features

- Antimicrobial Flexi-Guard
- Laminar Flow
- Extra Deep Basin Minimising Splashing
- Integral Drain
- Real Drain
