

# Elkay SwirlFlo EZH2O Non Refrigerated Dual Fountain and Auto-Sensor Bottle Filler

SKU: LZEDFPBM117WSX

The Elkay SwirlFlo EZH2O Non Refrigerated is the ultimate multi-functional public use drinking fountain water station for indoor environments.

The design features a bottle refill dispenser, as well as bi-level drinking fountains, wrapped in an elegant, streamlined in-wall stainless steel case.

Features include a sanitary no-touch activation sensor which has a 20 second shut-off timer, Green Ticker that counts the number of bottles saved from waste and visual LED Filter Monitor indicating when replacement is necessary.
