

Aquafil Bold 850BF

Drinking Fountain and Bottle Refill Station

SKU: AQ-BO850BF

Your low-maintenance and compact drinking water solution for coastal regions, parks, recreational areas, sports grounds and outdoor spaces.

Made in Australia, featuring Marine Grade 316 Stainless Steel. The Aquafil Bold 850BF is vandal-resistant and endures harsh outdoor public environments.

The design features a drinking fountain with a protective rubber mouth guard and an anti-bacterial bottle refill nozzle, with the option of an additional dog drinking bowl and signage panel. Its sculptured form and robust performance make this unit perfect for outdoor architectural settings and public parks.
