The diagram shows a light gray rectangular panel centered within a white background. The panel is bordered by a gray hatched pattern. A horizontal red line with arrows at both ends passes through the center of the panel, with the label '286mm' positioned above it. A vertical red line with arrows at both ends also passes through the center, with the label '170mm' positioned to its left. The text 'Rear - Mid lower panel' is written in red in the lower-left area of the panel.
